

RFMW Europe Ltd.

RFMW Europe Ltd. is the European subsidiary of the US based specialty distributor RFMW Ltd.. RFMW is focused on design-in support and distribution of RF components. RFMW serves customers across the industry, providing technical expertise at a high level.

Our UK team is looking for a senior

Field Sales Engineer RF

Your tasks are to serve our existing customer base, to consequently grow their business with us, to get into new customers, find, evaluate and successfully complete custom projects, cooperation on trade fairs and the close cooperation with the Management team.

We are looking for the following skills :

- Engineering degree in RF Engineering or similar
- Sales experience in the RF industry or distribution
- High motivation, team spirit and the ability to travel
- Experience with MS Office

We offer :

- Work in a senior, successful team
- Professional infrastructure
- Internal and external seminars
- Interesting salary with a incentive plan

We are looking forward to your application. Please send your CV to our Sales Director, Europe, at christian.grieswelle@rfmw.com.
